

## ► “FINGER PACKS” FROZEN ICE PACKS

Try our *unique finger shaped* Finger Pack for the home food delivery industry.

- Eco friendly – 100% recyclable.
- Non-toxic, safe.
- Ships and freezes in rolls.
- Shipped rolls of 300 “fingers”
- Requires less storage.
- Made in Canada.
- Perforated for ease of tearing to required weight/size.
- Perforated every 5 “fingers”
- Maintains desired temperature throughout the shipping period.
- Slows down external temperature penetration.
- More efficient than same weight ice pack due to being able to coil around products.
- Samples and pricing available upon request.
